Purchasers wishing plants sent C. O. D., will please enclose one-quarter the amount of bill with order.

Should any stock prove not true to name, we will either refund the purchase money for same, or replace with stock true to name free; and while we are exercising great care to prevent mixtures, the above is to be a condition on which all stock is delivered and we are not to be held liable for damages in addition to the above amount.

If you wish a large quantity of stock and will send us a list stating kinds, quantities, age, and grade required, we will send you special prices.

The demand for Gooseberries and Currants is on the increase for garden planting, as our people are learning how valuable they are for jellies and preserves.

GRAPE VINES

WE PAY MAIL AND EXPRESS CHARGES ON ALL GOODS OFFERED IN THIS LIST.

Five or more different varieties if desired at ten rates. Will furnish 50 or more of different varieties if desired at 100 rates.

The vines we send by mail are of our largest and best, strictly first-class in every respect. It is poor economy to buy small vines because they are cheap. Strong roots give best results.
